- 8.2 Without prejudice to the AOSML's right and claims vis-à-vis any Tenderer who withdraws its Tender during the Tender Validity Period, due notice will be taken of any withdrawal during the Tender Validity Period and without prejudice to any other rights and remedies that the AOSML may have against the Tenderer, such withdrawal may prejudice the Tenderer's future status as a AOSML supplier or service provider.

9. Basis of Acceptance

- 9.1 The AOSML Representative is not bound to accept the Tenderer with the highest combined score or any tender. Without prejudice to the generality of the foregoing, in case the Monthly Rent and Turnover Rent offered by the Tenderer with the highest overall combined price and quality score is unreasonably low with reference to the advice of the Committee for Rating and Valuation, the AOSML may refrain from awarding the Contract to the relevant Tenderer.
- 9.2 Tenderers should note that their offers will be considered on an overall basis.

10. Negotiation

The AOSML reserves the right to negotiate with all or any Tenderer (s) about any terms and conditions in the Tender Documents and of the Contract.

The Contract will incorporate, to the extent accepted by the AOSML Representative, the Tender submitted by the successful Tenderer (subject to such other changes as the AOSML Representative may stipulate in exercise of its powers under the Tender Documents or such changes as the parties may agree). If a Tenderer fails to fulfill all or any of the conditions mentioned in **Clause 11.2** above (unless and save to the extent they are waived by AOSML in writing, if any), or fails to enter into the Articles of Agreement upon notification by AOSML ("defaulting Tenderer"), the conditional acceptance of tender will become void and be of no further force.

11.4 The AOSML Representative will disqualify the defaulting Tenderer, and it may, but not obliged to, award the Contract to another Tenderer. Without prejudice to other rights and remedies of the AOSML, the defaulting Tenderer shall be responsible for the difference in total Estimated Contract Value based on the amount of the Monthly Rent and Turnover Rent submitted by that defaulting Tenderer and the eventual Contractor who will be awarded the Contract whether appointed pursuant to this Invitation to Tender exercise or another subsequent invitation exercise. On the other hand, notwithstanding anything in the Tender Documents or in the conditional acceptance of tender to the contrary, in the event that the AOSML exercises any of its discretion under **Clause 14 of the Terms of Tender**, AOSML shall be entitled not to enter into the Contract with a Tenderer even if the Tenderer has received a conditional notification of acceptance and fulfilled all the conditions specified **Clause 11.2** above.

11.5 Tenderers who do not receive any notification of acceptance within the Tender Validity Period shall assume that their tenders have not been accepted.

Tender Ref: AOSML/TK/01/2020

- (b) a document or a piece of information, other than the document or information set out in **Clause 4.1** of the **Terms of Tender**, is missing from the tender, _

it may, but is not obliged to, request the Tenderer concerned to make the necessary clarification, or submit the required document or information.

The Tenderer shall thereafter within five (5) working days or such other period as specified in the request submit such clarification, information or document in the form required by AOSML. A tender may not be considered further (or will not be considered further where it is expressly stated to be the case in the relevant provision of the Tender Documents) if complete information or document is not provided as required by the deadline as specified in the request, or in the case of clarification, such clarification is not provided by such deadline or is not acceptable to AOSML. As an alternative to seeking clarification or further information or document, AOSML may not consider the tender further or may proceed to evaluate the tender on an “as is” basis.

13. Tenderer’s Commitment

The entire Tender, any subsequent clarification, and permitted submissions from a Tenderer must be submitted in writing. Each of them is the offer, commitment and representation of the Tenderer and will, if accepted by the AOSML Representative, be incorporated into and made part of the Contract in such manner as AOSML Representative considers appropriate and become binding on the Tenderer.

5.4 In respect of the Free Decoration Period:

5.5 If the Contractor fails to pay a Monthly Rent by the due date specified in the demand note issued by the AOSML Representative or any other amount payable by the Contractor under the Contract, the Contractor shall pay a surcharge on the Monthly Rent for such other amount calculated at a rate equivalent to the average of the best lending rates from time to time of all

The statement of accounts shall be certified as being accurate and complete by the Contractor's management or such other person as the AOSML Representative may from time to time approve or prescribe in writing.

The statement of accounts shall show the Monthly Turnover rent generated from the Business in the Kiosk and the Monthly Rent that shall be payable to the AOSML Representative for such month(s) as stipulated in the request. Such statement of accounts shall be audited and certified as being accurate and complete by the Contractor's management.
- 5.9 For the avoidance of doubt, it is hereby expressly agreed and declared that the acceptance by AOSML Representative of any accounts or audited account submitted or any money paid by the Contractor in accordance with this Clause shall not in any way whatsoever bar or otherwise preclude the AOSML Representative from subsequently disputing the accuracy of any such accounts or the correctness of any such sum and that in the event that any further sum whatsoever be found due from the Contractor to the AOSML Representative, the same shall be paid by the Contractor to the AOSML Representative on demand plus interest to accrue from the due date to the date of actual payment in full at the rate specified in **Clauses 5.5** above.

- 6.3 Nothing in this Contract shall confer on the Contractor any exclusive right to carry on the Business in the Avenue of the Stars.
- 6.4 Nothing in this Contract shall be regarded as in any way negating, prejudicing or otherwise restricting the right of AOSML Representative to authorize any person to supply any food or drink or other catering or hosting services at Avenue of Stars. The aforesaid period (depending on whichever is applicable) is hereinafter referred to as the "Guarantee Period".

- 7.3 Only upon the expiry of the Guarantee Period, will the Security Deposit (if in the form of cash and if any if remaining) be refunded to the Contractor without interest; or, if in the form of a bank guarantee, be discharged or released.
- 7.4 The AOSML Representative shall have the right to deduct from time to time from the Security Deposit in cash or call on the bank guarantee (irrespective of whether or not a demand for payment has been made against the Contractor) any amount due or payable by the Contractor to the AOSML Representative under the Contract (regardless of whether the amount is payable under any indemnity or is payable as a debt) but which remains outstanding, in such order as the AOSML Representative in its absolute discretion deems fit. The Security Deposit (whether in cash or in the form of the bank guarantee) may be deducted or called on, without the AOSML Representative first having recourse to any other security or rights or taking any other steps or proceedings against the Contractor or any other person,

Tender Ref: AOSML/TK/01/2020

or maybe enforced for any balance due after resorting to any one or more of other means of obtaining payment or discharge of the monies, obligations and liabilities owing by the Contractor to the AOSML Representative.

7.5 If any deduction is made by the AOSML Representative from the Security Deposit in cash or a call is made on the bank guarantee during Guarantee Period, the Contractor shall, within fourteen (14) days on demand in writing by the AOSML Representative, deposit a further sum or provide a further bank guarantee in a sum equal to the amount so deducted or so called, which further sum shall be added to the residue of and form part of the Security Deposit and, where applicable, the additional security amount required under **Clause 7**.

7.6 In the event that this Contract is early terminated under **Clause 24.1** of the **Conditions of Contract**, notwithstanding anything herein to the contrary, the Security Deposit will be wholly forfeited by AOSML Representative upon such termination without prejudice to the AOSML Representative's claims and demands under the Contract which cannot be satisfied by the Security Deposit.

8. Restriction on Assignment and Sub-contracting

8.1 Unless otherwise with the prior written consent of the AOSML Representative, the Contractor shall not assign, transfer, sub-contract or otherwise dispose of any of its interests, rights, benefits or obligations under the Contract. The performance of the Contract by the Contractor shall be to it.

8.2 The AOSML Representative may refrain from giving any written consent under **Clause 8.1** above without giving any reason. If AOSML Representative does agree to give consent, any such agreement may be subject to fulfilment of conditions either by the Contractor and/or by any proposed assignee or transferee or sub-contractors.

8.3 The Contractor shall remain fully liable and shall not be relieved from any of its obligations hereunder by entering into any sub-contract for the performance of any part of the Contract. Tender Ref: AOSML/TK/01/2020

9. Licence, Permit and/or Certificate

- 9.1 The Contract does not confer any licence, permit, certificate, waiver or exemption which the Contractor is obliged to apply for under all applicable laws and regulations in order to operate the Business in the Kiosk (such licence, permit, certificate, waiver or exemption necessary for operating the Business referred above are collectively referred as the **“Requisite Permits”**). - 9.3 The entitlement to operate the Business in the Kiosk is conditional on the Contractor having obtained all Requisite Permits, and that they remain valid and in force throughout the Contract Period and that the Contractor complies with all conditions and requirements stated therein. Failure to obtain all Requisite Permits or obtaining licence, permit, certificate, waiver or exemption (as applicable) for the incorrect kind of Business would be treated as breach of these provisions.
- 9.4 Without affecting the generality of the foregoing, the Contractor shall make no claim of any kind whatsoever against the AOSML or the AOSML Representative in the event of the Contractor’s failure or inability for any reason to obtain or renew any Requisite Permits.
- 9.5 Without prejudice to other rights and claims of the AOSML Representative for any failure by the Contractor to commence the Business no later than the beginning of the 2nd month of the Contract Period, the Contractor agrees and accepts that there will be no abatement or reduction of the Monthly Rent notwithstanding that the Contractor cannot operate its Business pending the consideration of its applications and issuance or renewal of the Requisite Permits. The non-issuance of any of the Requisite Permits by the relevant authorities does not constitute any ground for the abatement of the Monthly Rent.
- 9.6 The Contractor shall produce copies of all Requisite Permits, including but not limited to Business Registration Certificate, from time to time upon demand by the AOSML Representative.

11.2 The Contractor shall not do, or cause to suffer or permit to be done, any act or things whereby the policy or policies of insurance in respect of the premises of which the Kiosk forms part against damage by fire or liability to their parties for the time being subsisting may become void or voidable or whereby the rate of premium or premiums thereon maybe increased, and shall repay to the AOSML Representative on demand all sums paid by the AOSML Representative by way of increased premium or premium thereon and all expenses incurred by the AOSML Representative in and about any renewal of such policy of policies rendered necessary by a breach of this clause.

11.3 The Contractor shall assume full responsibility for the safety of all operations and methods of operations.

11.4 The Contractor shall provide and maintain at all times properly insulated and refrigerated containers solely for the storage of frozen confections and shall store in such insulated and refrigerated containers all frozen confections available for sales in the Kiosk, if applicable.

MARKING SCHEME FOR TENDER EVALUATION

1. The AOSML will use a marking scheme in assessing the Tenders which meet all requirements stipulated in Stage 1. Offers which fail to meet the essential requirements will NOT be considered. Those meeting the essential requirements will be evaluated in accordance with the assessment on technical submission in Stage 2. The Technical score carries a weight of 70% as against a 30% weighting for the price score. A Tender which fails to pass any one of the criteria in the technical assessment will not be further considered. The Tenderer with the highest technical mark and which Tender attains all the passing scores will be awarded with a weighted technical score of 70, while the weighted technical score for other Tenders which Tenders attain all the passing score will be calculated in accordance with the formula in **Clause 3.2** below. Upon completion of the technical assessment, the price information will be evaluated in Stage 3. The Tender with the highest combined technical and price score in Stage 4 will normally be recommended for acceptance.

2. Stage 1 – Completeness Check

- 2.1 Tenderers must submit the following documents on or before 12:00 noon (Hong Kong time) on the Tender Closing Date:
 - (i) the “Offer to be Bound” of the Tender Form duly signed by the Tenderer;

Tender Ref: AOSML/TK/01/2020

3. **Stage 2 – Technical Assessment**

- 3.1 Tender shall be assessed under the following criteria of technical submission and marks will be given to Tenders in each assessed criterion in accordance with the standard stipulated below.

	Assessment Criteria	Mark
1.	<p>Business Plan</p> <p>The Tenderer is required to incorporate the information outlined below into the Business plan in compatibility with the AOS's vision, mission, values, image and function as stated in the tender document (to be illustrated and supported by statements, plans and drawings where appropriate):</p> <p>(a) Proposed plan with details on business vision (not limited to the core value of the business including quality products, excellent customer service, creativity, integrity, social responsibility, etc.)</p> <p>(b) Proposed plan with details of products to be sold in Kiosk</p>	70 (passing mark = 30)
2.	<p>Past Track Record</p> <p>The Tenderer is required to provide information on their past track record of conducting operations of similar nature as requested by AOSML.</p>	

3.2 Calculation of weighted technical score

The technical proposal of those tenders which meet all the essential requirements will be marked in Stage 2 technical assessment. There is a passing mark in each assessment criteria. Tenderers failing to attain the passing mark will not be considered further. The Tenderer who passes all the assessment criteria in Stage 2 and attains the highest technical mark will be awarded with a weighted quality score of 70 while the weighted quality scores for other Tenderers who pass the Stage 2 technical assessment will be calculated in accordance with the following formula:

$$70 \times \frac{\text{Technical marks award to the relevant Tenderers}}{\text{Highest technical mark amongst the tenderers which pass Stage 2 technical assessment}}$$

Tender Ref: AOSML/TK/01/2020

[Note: The weighted technical score of each conforming Tender will be rounded to the nearest two (2) decimal places. Figures with the values at the third decimal place larger than or equal to 0.005 will be rounded up by adding 0.01 to the figures and curtailing the third decimal place onward whereas figures with the values at the third decimal place below 0.005 will be rounded down by curtailing the third decimal place onward without changing the values at the second decimal place.

Examples of calculating the weighted technical score and the rounding arrangements are given as follows:

Assuming there are three (3) Tenderers who have attained all passing standard scores in the technical assessment; Tender A gains the highest total mark of 80; Tender B gains a total mark of 75; and Tender C gains a total mark of 60. The weighted technical scores of the three (3) Tenderers are:

Tenderer A: 70

Tenderer B: $70 \times 75/80 = 65.625$; and

Tenderer C: $70 \times 60/80 = 52.50$

After they have been rounded to the nearest two (2) decimal places, the weighted technical score of Tenderers A, B and C will be 70, 65.63 and 52.50 respectively.]

Upon completion of the technical assessment in Stage 2, the monthly rent and turnover rent of those tenders will be evaluated in Stage 3 price assessment.

4. Stage 3 – Price Assessment

4.1 Calculation of weighted price score

The price evaluation will proceed after completion of the technical assessment.

(i) The following two price marks will be used for calculating the weighted price score for Tenderers who have passed the technical assessment:

$$\text{Mark of Monthly Rent} = \frac{\text{Monthly Rent}}{\text{Highest Monthly Rent among all tenderers which have passed the technical assessment in Stage 3}} \times 50\%$$

$$\text{Mark of Turnover Rent} = \frac{\text{Turnover Rent}}{\text{Highest Turnover Rent among all tenders which have passed the technical assessment in Stage 3}} \times 50\%$$

(ii) A weighted price score of 30 will be allocated to the tender with the highest price mark, while the weighted price score for the other tenders will be arrived at based on the following formula:

$$30 \times (\text{Mark of Monthly Rent} + \text{Mark of Turnover Rent})$$

- (iii) all calculations of the mark of the weighted price score in Stage 3 respectively will be rounded to the nearest two (2) decimal places (i.e. the same method of rounding as shown in the Note under **Clause 3.2**)

5. Stage 4 – Calculation of Combined Score

Combined Score = Weighted Technical Score + Weighted Price Score

The tender with the highest combined score will normally be recommended for acceptance subject to the requirement that the AOSML is satisfied that the recommended Tenderer is fully capable of undertaking the contract and is the most advantageous to the AOSML in accordance with the Tender provision.
